\* Population counts include population from housing units and group quarters, where applicable.

This is an official statement of the revised Census 2000 population and housing unit counts including corrections made through February 2003.

Census counts used for Congressional apportionment and legislative redistricting and the Census 2000 data product will remain unchanged.

## Census 2000 Count Question Resolution Program - Michigan Revision Update

Area Name	Original Tabulation Counts		Corrected Count		Change		Requested Change		Date of Revision
	Total Housing Units	Total Population*	Total Housing Units	Total Population*	Total Housing Units	Total Population*	Housing Units	Population *	

The Census Bureau will include the corrections in the errata information to be made available via the Internet on the American FactFinder system and used specifically to modify the decennial census file for use in yearly postcensal estimates beginning in December 2002.

If you require additional information, please call the Census Bureau's Count Question Resolution program staff, toll-free, on 1 (866) 546-0527.
